[Disconnected operation in the Coda file system- ▶psu.edu \[PDF\]](#)

JJ Kistler, M Satyanarayanan - ACM Transactions on Computer Systems (TOCS), 1992 - portal.acm.org

... It is instructive to observe how a person with data in a **shared file** system ... them from the **shared file** system into the local name space for use while isolated. ...

[Cited by 1473](#) - [Related articles](#) - [Import into BibTeX](#) - [BL Direct](#) - [All 149 versions](#)

[Frangipani: A scalable distributed file system- ▶psu.edu \[PDF\]](#)

CA Thekkath, T Mann, EK Lee - ACM SIGOPS Operating Systems Review, 1997 - portal.acm.org

... is a single lockable segment, because logs are **private**. ... Finally, each file, directory, or **symbolic link** is one ... Lock **upgrade** and downgrade operations are also ...

[Cited by 403](#) - [Related articles](#) - [Import into BibTeX](#) - [BL Direct](#) - [All 105 versions](#)

[▶ The design of a multicast-based distributed file system](#)

B Grönvall, A Westerlund, S Pink - usenix.org

... For instance after a **shared file** is updated and subsequently ... directory data, or the value of a **symbolic link**. ... be somewhere in the system to "**upgrade**" signatures ...

[Cited by 64](#) - [Related articles](#) - [Cached](#) - [Import into BibTeX](#) - [BL Direct](#) - [All 22 versions](#)

[\[PDF\] ▶ Distributed systems](#)

AS Tanenbaum, M Van Steen, 2002 - Citeseer

... order of declaration of the components enumerated unsigned long (the values are specified by the order declared) union type tag followed by the selected **member** ...

[Cited by 1490](#) - [Related articles](#) - [View as HTML](#) - [Import into BibTeX](#) - [All 39 versions](#)

[Method and mechanism for performing a rolling **upgrade** of distributed computer software](#)

AK Srivastava, R Jayaraman - US Patent App. 10/803,623, 2004 - Google Patents

... require all **members** using the **shared file** system to be ... In one embodiment, the rolling **upgrade** is performed ... it is helpful to generally describe a **symbolic link**. ...

[Import into BibTeX](#) - [All 2 versions](#)

[\[BOOK\] Disconnected operation in a distributed file system- ▶psu.edu \[PDF\]](#)

JJ Kistler, 1995 - books.google.com

... He was a founding **member** of the Coda research project and the chief architect and implementor of disconnected operation in ... How likely are update conflicts, and ...

[Cited by 97](#) - [Related articles](#) - [Import into BibTeX](#) - [Library Search](#) - [BL Direct](#) - [All 25 versions](#)

[\[PDF\] ▶ Linking shared segments](#)

WE Garrett, ML Scott, R Bianchini, LI ... - USENIX Technical Conference Proceedings, 1993 - Citeseer

... the entire **shared file** system, and update it as ... 64-bit addresses, we will extend the **shared file** system to ... static and dynamic, deal only with **private** symbols. ...

[Cited by 8](#) - [Related articles](#) - [View as HTML](#) - [Import into BibTeX](#) - [All 19 versions](#)

[Method and mechanism for managing incompatible changes in a distributed system](#)

S Chatterjee, S Joshi, AK Srivastava - US Patent App. 10/844,875, 2004 - Google Patents

... illustrated with respect to a rolling **upgrade** operation, it ... global" to all **members** and not "**private**" to any ... as a configuration file) in the **shared file** system. ...

[Import into BibTeX](#) - [All 2 versions](#)

[Method and mechanism for managing and accessing static and dynamic data](#)

S Chatterjee, S Joshi, AK Srivastava - US Patent App. 10/845,016, 2004 - Google Patents

... of files (or registry entries) in a **shared file** system (or ... **Private** data includes data that are only associated or ... by a designated group of one or more **members**. ...
